

PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

1. DOD INFORMATION SYSTEM/ELECTRONIC COLLECTION NAME:

Defense Health Agency (DHA) Enclave

2. DOD COMPONENT NAME:

Defense Health Agency

3. PIA APPROVAL DATE:

06/05/23

Engineering Solutions Architecture - Business Analytics Division (ESA-BAD)

SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

a. The PII is: (Check one. Note: Federal contractors, military family members, and foreign nationals are included in general public.)

From members of the general public

From Federal employees

from both members of the general public and Federal employees

Not Collected (if checked proceed to Section 4)

b. The PII is in a: (Check one.)

New DoD Information System

New Electronic Collection

Existing DoD Information System

Existing Electronic Collection

Significantly Modified DoD Information System

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

The Defense Health Agency (DHA) Enclave's mission objective is an Assess and Authorize construct established to support multiple small to medium capabilities of low complexity that are hosted in the DHA, Medical Community of Interest (Med-COI) Cloud environments (currently DHA Milcloud only). The DHA Milcloud is within the MedCOI boundary. These capabilities are both Commercial Off-the Shelf (COTS) and Government Off-the-Shelf (GOTS) products. All aspects of compute including Hypervisor are handled by Data Center Operations (DCOPs) as well as the option for Operating System as a Service (Windows Server and Redhat Linux) and Database as a Service (Microsoft SQL) can be provided under the CSMS (386) package if requested. If the capability chooses not to use the Operating System as a Service and/or Database as a Service then they are responsible for installing and maintaining the OS and applications. Security services are provided by NSOC (356). Directory Services are provided by mJAD(376). Boundary protections are provided by the MedCOI(1056).

Personally identifiable information (PII) processed on some system components, applications, and documents might utilize specific administrative, physical, and technical security controls to protect PII confidentiality and which may be addressed in separate privacy impact assessments (PIA)s. Such PIAs are available at: <https://dodcio.defense.gov/In-the-News/Privacy-Impact-Assessments.aspx/>.

DHA Enclave stakeholders (aka hosted customer systems) include White House Medical Screening Tool (WHMST), Asset Reporting Tool (ART), MEDCOM Freedom of Information Act Express (MEDCOM FOIAXpress), DHHQ Freedom of Information Act Express (DHHQ FOIAXpress) Tricare Retail Rebate Website (TRRWS), Health.mil, Tricare.mil, Staging Data Environment (SDE), Disease Reporting System Internet (DRSi), Electronic Health Assessment (EHA), Information Management System (IMS), and Tricare Manuals Application Area (TMAA). Each of these systems has their own managing program office and ISSO/system admin who manages the day to day of the system.

Defense Health Agency (DHA) Enclave is owned by the DHA and operated by ESA-BAD.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

The purpose and the intended use of collected PII is specific to a system component and is addressed in the sub-system's PIA.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

The opportunity for individuals to object to the collection of PII is specific to the method used to collect PII in the respective system component and is addressed in the sub-system's PIA.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

The opportunity for individuals to consent to uses of PII is specific to the method used by the respective system component and is addressed in the respective sub-system's PIA.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

Privacy Act Statement Privacy Advisory Not Applicable

The enclave infrastructure does not collect PII directly from individuals; however, system components, applications, and electronic collections within the enclave might collect PII. Refer to the respective system component, application, or electronic collection PIA for additional information.

h. With whom will the PII be shared through data/system exchange, both within your DoD Component and outside your Component? (Check all that apply)

- | | | |
|---|----------|--|
| <input checked="" type="checkbox"/> Within the DoD Component | Specify. | PII may be shared with personnel with authorized access to the enclave. |
| Other DoD Components (i.e. Army, Navy, Air Force) | Specify. | Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA. |
| Other Federal Agencies (i.e. Veteran's Affairs, Energy, State) | Specify. | Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA. |
| State and Local Agencies | Specify. | Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA. |
| Contractor (Name of contractor and describe the language in the contract that safeguards PII. Include whether FAR privacy clauses, i.e., 52.224-1, Privacy Act Notification, 52.224-2, Privacy Act, and FAR 39.105 are included in the contract.) | Specify. | Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA. |
| Other (e.g., commercial providers, colleges). | Specify. | Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA. |

i. Source of the PII collected is: (Check all that apply and list all information systems if applicable)

Individuals	Databases
Existing DoD Information Systems	Commercial Systems
Other Federal Information Systems	

Not applicable for the MTF MedCOI enclave; the source of the PII collected is specific to the information system component and is addressed in the sub-system's PIA.

j. How will the information be collected? (Check all that apply and list all Official Form Numbers if applicable)

E-mail	Official Form (Enter Form Number(s) in the box below)
In-Person Contact	Paper
Fax	Telephone Interview
Information Sharing - System to System	Website/E-Form
Other (If Other, enter the information in the box below)	

Not applicable for the MTF MedCOI enclave; the information collection method is specific to the information system component and is addressed in the sub-system's PIA.

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

Yes No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcl.d.defense.gov/> Privacy/SORNs/
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

The MTF MedCOI enclave is not a system of records; however, system components, applications, and electronic collections within the enclave might require a SORN. Refer to the specific system component, application, or electronic collection PIA for SORN information.

I. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

(1) NARA Job Number or General Records Schedule Authority. Not Applicable

(2) If pending, provide the date the SF-115 was submitted to NARA.

(3) Retention Instructions.

The MTF MedCOI enclave does not create or maintain records subject to this requirement. The NARA Job Number is specific to the information system component and is addressed in the respective sub-system's PIA

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

- (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.
- (2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).

(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

Authorities to collect information are specific to the information system component and addressed in the respective sub-system's PIA.

n. Does this DoD information system or electronic collection have an active and approved Office of Management and Budget (OMB) Control Number?

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

Yes No Pending

- (1) If "Yes," list all applicable OMB Control Numbers, collection titles, and expiration dates.
- (2) If "No," explain why OMB approval is not required in accordance with DoD Manual 8910.01, Volume 2, " DoD Information Collections Manual: Procedures for DoD Public Information Collections."
- (3) If "Pending," provide the date for the 60 and/or 30 day notice and the Federal Register citation.

The MTF MedCOI enclave does not collect information from members of the public; however, system components, applications, or electronic collections within the MTF MedCOI enclave might do so. Refer to the specific sub-system, application, or electronic collection PIA for information regarding the OMB Control Number.
