This enclave includes user interface devices such as workstations and laptops and hosts office automation as well as medical systems and applications. Personally Identifiable Information (PII) may be collected, maintained, used, or disseminated by systems and applications utilizing the enclave or within documents stored on file servers and shared drives. PII may include numerous types of PII including employee and beneficiary contact information, military information, demographic information, Social Security Number (SSN), and Protected Health Information (PHI). Commercial-Off-The-Shelf (COTS) applications such as Microsoft Word Excel, PowerPoint, and Outlook are utilized to provide administrative support to the enclave and may process PII.

PII processed on some system components, applications, and documents might utilize specific administrative, physical, and technical security controls to protect PII confidentiality and which may be addressed in separate Privacy Impact Assessments (PIA)s. Such PIAs are available at: <https://dodcio.defense.gov/In-the-News/Privacy-Impact-Assessments/asp/>. Refer to the PIA specific to the system, application, or electronic collection, hosted on/within the enclave, for additional information.

MEDCOI Pax River is owned and operated by the Defense Health Agency (DHA).

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

The purpose and the intended use of collected PII is specific to a system component and is addressed in the sub-system's PIA.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

The opportunity for individuals to object to the collection of PII is specific to the method used to collect PII in the respective system component and is addressed in the sub-system's PIA.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

The opportunity for individuals to consent to future uses of their PII is specific to the method used by the respective system component and

is addressed in the respective sub-system's PIA.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

- Privacy Act Statement Privacy Advisory Not Applicable

The enclave infrastructure does not collect PII directly from individuals; however, system components, applications, and electronic collections within the enclave might collect PII. Refer to the respective system component, application, or electronic collection PIA for additional information.

h. With whom will the PII be shared through data/system exchange, both within your DoD Component and outside your Component? (Check all that apply)

Within the DoD Component

Specify.

PII may be shared with personnel with authorized access to the enclave.

Other DoD Components (i.e. Army, Navy, Air Force)

Specify.

Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA.

Other Federal Agencies (i.e. Veteran's Affairs, Energy, State)

Specify.

Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA.

State and Local Agencies

Specify.

Not applicable for the enclave. PII sharing is addressed in the respective sub-system's PIA.

Refer to the PIA specific to the system, application, or electronic collection hosted on/within the enclave for additional information.

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

Yes No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpclid.defense.gov/Privacy/SORNs/>
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

The enclave itself does not function as a system of records. However, systems, applications, and electronic collections hosted on/within the enclave may require a SORN. Refer to the PIA specific to the system, application, or electronic collection for SORN information.

I. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

(1) NARA Job Number or General Records Schedule Authority.

Not Applicable

(2) If pending, provide the date the SF-115 was submitted to NARA.

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.

(2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).

(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

Refer to the PIA specific to the system, application, or electronic collection, hosted on/within the enclave, for specific information on the authorities to collect information.
