Why ACEP?

How does ACEP fill an Army need and provide value to the force?

EVOLVING THE TRAINING PARADIGM FOR SOLDIER/LEADER DEVELOPMENT

Developing the Entire Human Dimension

Army doctrine tells us what we must "be," ACEP is geared toward arming our Soldier and leaders with the knowledge and skills to get there.

-Current Army training methods puts Soldiers in realistic stressful environments, ACEP teaches Soldiers and leaders how to handle and thrive in these stressful environments.

ARMY STRONG

ACEP MISSION

The mission of the ACEP is to develop the full potential of Warriors, DA Civilians and Families using a systematic process to enhance the mental skills essential to the pursuit of personal strength, professional excellence, and the Warrior Ethos.

What ACEP Provides: (Mission Essential Tasks)

1. Performance Enhancement Education and Training
2. Teambuilding
3. Resilience Training
4. Learning Enhancement Program

Team Building

Great Teams Exercise Workshop: (Intent) Develop a team philosophy and purpose in order to enhance cohesion.

Team Goal Setting Workshop: (Intent) Establish a long-term organizational end state and a detailed collaborative blueprint to achieve organizational goals in order to enhance cohesion.

Cohesion: “A dynamic process that is reflected in the tendency of a group to stick together and remain united in the pursuit of its instrumental objectives and/or for the satisfaction of member needs” (Carron, Brawley, and Widmeyer)

Social Cohesion: The nature and quality of the emotional bonds of friendship, liking, caring, and closeness among group members.

Task Cohesion: The shared commitment among members to achieving a goal that requires the collective efforts of the group.

***Above workshops facilitate and complement the Commander’s or leader’s Vision and intent for the unit or organization**

Program Evaluation

Participant Feedback:

80%> Effective

85%> Will Use Skills

85%> Recommend to others

90%> Instructor Effectiveness

- *“I have enjoyed and benefited more from this program and instruction than any other I can recall receiving in the military. Well organized and presented. Thank you very much.”*
- *“This class gave me the skills to organize my goals for transition and findings ways to work with my TBI symptoms – Warrior in Transition (WT)”*
- *“This training needs to be more wide-spread, ACEP training is a valuable set of tools that can help any unit in the Army.”*
- *“Combat is a thinking man’s game...you first need to get your mind right in order to ensure your survival.” – SF MSG*
