

ATTENTION PRESENTER: This set of slides was created to provide extra TRICARE cost overview information to add to other briefings. For the latest version of this briefing, go to www.health.mil/tricarebriefings.

• **Presenter Tips:**

- Review slides before briefing to decide which are related to your audience.
- Add relevant slides from this slide deck into your beneficiary briefing before your presentation.
- Because the Federal Employees Dental and Vision Insurance Program (FEDVIP) is managed by the U.S. Office of Personnel Management, FEDVIP costs aren't included with these slides. Costs for FEDVIP plans are available at www.benefeds.com.

Beneficiary Categories: Group A and Group B

All beneficiaries fall into one of two categories based on when you or your sponsor entered the uniformed services. Each group pays different costs and fees.

- **Group A:** If your or your sponsor's initial enlistment or appointment occurred before Jan. 1, 2018, you're in Group A.
 - While enrolled in a premium-based plan (TRICARE Reserve Select, TRICARE Retired Reserve, TRICARE Young Adult, and the Continued Health Care Benefit Program), Group A beneficiaries follow Group B deductibles, cost-shares, and catastrophic caps.
- **Group B:** If your or your sponsor's initial enlistment or appointment occurred on or after Jan. 1, 2018, you're in Group B.

- All beneficiaries fall into one of two categories based on when you or your sponsor entered the uniformed services. The groups pay different costs and fees.
 - **Group A:** If you or your sponsor's initial enlistment or appointment occurred before Jan. 1, 2018, you're in Group A. While enrolled in a premium-based plan, such as TRICARE Reserve Select, TRICARE Retired Reserve, TRICARE Young Adult, and the Continued Health Care Benefit Program, Group A beneficiaries follow Group B cost-shares, deductibles, and catastrophic caps.
 - **Group B:** If you or your sponsor's initial enlistment or appointment occurred on or after Jan. 1, 2018, you're in Group B and have Group B cost-shares, deductibles, and catastrophic caps.
- Because this designation is based on your or your sponsor's uniformed services initial enlistment or appointment, this category can't be changed by any action taken by the beneficiary (for example, switching plans or failure to pay).
- Monthly premium amounts for the premium-based plans can be found at www.tricare.mil/costs.

Catastrophic Cap

Jan. 1–Dec. 31, 2024

Sponsor or Beneficiary Type	Group A	Group B
Active duty family members	\$1,000 per family	\$1,256 per family
Retirees, their families, and all others	\$3,000 per family (TRICARE Prime) \$4,157 per family (TRICARE Select)	\$4,399 per family
TRICARE Reserve Select members	Follow Group B	\$1,256 per family
TRICARE Retired Reserve members	Follow Group B	\$4,399 per family
TRICARE For Life individuals and families (two or more beneficiaries)	\$1,000 for ADFMs \$3,000 for all others	

- The yearly catastrophic cap limits the most you or your family will pay for covered health services each calendar year, which is Jan. 1 through Dec. 31.
- The catastrophic cap applies to all covered services, including any enrollment fees, annual deductibles, pharmacy copayments, and other cost-shares based on TRICARE-allowable charges.
- After you meet the catastrophic cap, TRICARE will pay your portion of the TRICARE-allowable amount for all covered services for the rest of the calendar year.

Note: While enrolled in premium-based plans (TRS, TRR, TYA, and CHCBP), Group A beneficiaries follow Group B cost-shares, deductibles, and catastrophic caps. Premiums don't count toward the catastrophic cap.

- Point-of-service, or POS, charges and additional non-network provider charges don't count toward the catastrophic cap.
 - The POS option allows enrollees in TRICARE Prime to see any TRICARE-authorized provider without a referral, but they'll pay more when doing so. POS charges occur when a TRICARE Prime beneficiary gets nonemergency care without a referral from a provider other than their primary care manager.
 - When non-network providers don't participate on a claim, they don't accept TRICARE's payment as the full payment for covered health care services. They also don't file claims for you. They may charge up to 15% above the TRICARE-allowable charge. Outside the U.S. and U.S. territories, which include American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands, non-network providers can charge any amount above the TRICARE limit. You must pay any cost above the TRICARE limit, plus your deductible and cost-shares. This amount doesn't apply to your catastrophic cap.

 - All care requires an appointment control number (ACN) from the ADDP contractor, United Concordia Companies, Inc., or United Concordia, before getting care. Some services require pre-authorization, like crowns, bridges, dentures, and periodontal treatment.
 - Active duty service members (ADSMs) may be responsible for the cost of care if they don't get an ACN or pre-authorization from United Concordia before getting care.
- In the ADDP OCONUS service area, ADSMs should contact United Concordia to coordinate all care. ADSMs should seek care from a TRICARE OCONUS Preferred Dentist. If none are available, ADSMs can see any dentist.

Note: ADSMs who choose to use a non-network dentist without pre-approval will be responsible for all costs related to their dental care.

Note: Due to the remoteness of some ADSMs, some service members may have to pay up front for care and seek reimbursement from United Concordia.
