Such subcommittees will not work independently of the Board and will report all their recommendations and advice solely to the Board for full deliberation and discussion.

Subcommittee members will be appointed for a term of service of one-to-four years, subject to annual renewals, in accordance with DoD policies and procedures; however, no member will serve more than two consecutive terms of service on the subcommittee, unless authorized by the Secretary of Defense or the Deputy Secretary of Defense. Subcommittee members, if not full-time or permanent part-time Federal officers or employees, will be appointed as experts or consultants pursuant to 5 U.S.C. § 3109 to serve as SGE members. Subcommittee members who are full-time or permanent part-time Federal officers or employees will be appointed pursuant to 41 C.F.R. §102-3.130(a) to serve as RGE members.

The USD(P&R), as the Board's DoD Sponsor, has the delegated authority to appoint subcommittee leadership from among the subcommittee membership previously appointed in accordance with DoD policy and procedures and, in doing so, will determine the subcommittee leader's term of service, which will not exceed the member's approved subcommittee term of service.

Each subcommittee member is appointed to provide advice on the basis of his or her best judgment on behalf of the Government without representing any particular point of view and in a manner that is free from conflict of interest.
