

Acute Concussion Care Pathway Training

On the Military Acute Concussion Evaluation 2 and Progressive Return to Activity

The Acute Concussion Care Pathway Training on the MACE 2 and PRA is a virtual event hosted quarterly by the **Traumatic Brain Injury Center of Excellence**. These clinical tools align with the **DHA-PI 6490.04: Required Clinical Tools and Procedures for the Assessment and Clinical Management of mTBI in Non-Deployed Setting**. Attendees may earn two CEUs through the Defense Health Agency Continuing Education Program Office.
