

Your life. Your prescriptions. Your ultimate pharmacy tool.

The TRICARE Formulary Search Tool shows your medication coverage, where you can fill your prescriptions and any applicable copayments.

Use the Formulary Search Tool to:

Browse pharmacy options, cost and coverage

Compare prices on brand, generic, covered and non-covered drugs

Discover which prescriptions can be delivered safely right to you

Visit esrx.com/tform to enter your medication and start comparing.

How to use the Formulary Search Tool

To use the Formulary Search Tool and compare coverage, cost and pharmacy options for your prescriptions, visit esrx.com/tform and enter the following information:

✕ Name of your medication

✕ Strength of your medication

✕ A few additional details about yourself

Express Scripts® Pharmacy
